

PARTNERSHIP COVENANT

As a believer in Jesus Christ I am given a new identity. I am adopted as God's child and part of his **family**. I am captured by God's word and committed to transforming growth as a **teacher**. I am compelled by God's heart and committed to his desires for the world as a **missionary**. I am humbled by God's grace and committed to sacrificial living as a **servant**.

I, _____, am identified with Jesus Christ in baptism and covenant with my God and partner with the Journey Church family to:

- Listen to God daily in Bible study, prayer, and becoming more like Jesus in turning away from my sins and pursuing a holy life. **Listen**
- Be involved in a DNA group and Missional Community because I recognize the need for accountability and community in my life. **Eat, Listen, Serve**
- Receive from those appointed over me accountability, counsel, and/or correction for my actions, specifically those actions that do not reflect my new God-given identity prescribed in the Bible. **Belong**
- Invest myself in sharing the gospel of Jesus Christ with both believers and non-believers. **Share, Eat, Serve**
- Belong to this unified church family by supporting our leaders and helping accomplish our mission, vision and scorecards. **Belong**
- Give generously the time, resources, and giftedness that God has blessed me with so that the Kingdom of God may expand throughout the world. **Belong, Serve, Share**

I covenant with the Journey Church family to selflessly labor to win those who are far from God and to disciple new believers to become like Jesus.
